Digital music-responsive lighting is available upon request. The cost for this service is \$100. per event. We capture each event with video and photos. Your customers can later view themselves online through use of a secure webpage on our website.

Additional Information

- Prices for events in major US cities, including the 5 Boroughs of NYC, will be substantially different than the prices listed here. Please call for a price quote if your event is occurring in a major city.
- Events occurring within 50 roundtrip miles of our location will not incur any mileage expense. Any event held over 50 roundtrip miles from our location will incur a mileage expense commensurate with the distance traveled. Mileage expense is calculated at a rate of \$30 for every 50 miles in 50 mile increments, regardless of the number of miles in between. For example: 82 miles = \$60; 141 miles = \$90.
- Events held on or during a holiday period will incur a \$150 surcharge.
- All of our equipment is new. We use wired and/or wireless microphones based on venue.
